**September 18, 2006 -- Denver** – A special art exhibition and sale honoring Pablo Picasso, Joan Miro, Henri Matisse and featuring special works by Marc Chagall, will be featured at GALLERY M October 20 – 22 in Cherry Creek North.

In its tenth year as the premiere gallery in Denver, GALLERY M was selected as one of only six stops nationwide for this show. It will feature the works of more than 80 museum-quality authenticated works ranging in price from \$1,000 to \$300,000.

Scheduled is a grand-opening weekend reception beginning on Friday, October 20. The public is invited to attend and an RSVP is requested. The Saturday and Sunday details are listed below.

The exhibit and sale of these master works is considered a rare opportunity to own collectible – and valuable – works of art.

Each day's exhibit will include brief, informal talks detailing the techniques utilized by each artist.
